

PORTION OF BONDS REDEEMED BY CASH

Petersburg Treasurer Called On for \$40,000 of \$165,000 Outstanding Issue.

BUSY SESSION OF COUNCIL

Grand Jury Adjourns Again. School Board Elects Teachers.

Times-Dispatch Bureau, 109 N. Sycamore St., Petersburg, Va., June 1. City bonds to the amount of about \$40,000 of the \$165,000 issue, which fell due to-day, were presented at the City Treasurer's office for redemption, and were exchanged for cash. These bonds were owned by residents of Petersburg, one citizen presenting bonds to the amount of \$24,000. The bulk of the bonds are held by investors outside of the city, who will receive the money for them as soon as presented.

A Busy Session. The June meeting of the Common Council to be held on Tuesday next will be an unusually busy and interesting one. Outside of the usual routine many matters of interest will be considered. The city budget for the ensuing fiscal year is one of these, with its appropriations for departmental and fixed expenses for the year. Public improvements will also be considered. The Council will doubtless have two meetings in June in order to wind up the affairs for the present fiscal year, and open the new fiscal year with clean sheets.

Grand Jury Again Adjourned. The grand and petit jurors reported to the Hustings Court this morning according to adjournment last week, but Judge Mullen, still being detained in Roanoke in the trial of Mayor Cutchin, no court could be held. The grand jurors were adjourned over to June 5, and the petit jurors and petit jurors until next Monday.

Death of Miss Rogers. Miss Latta M. Rogers, aged about fifty-five years, died at her home on East Tabb Street, about 1 o'clock this morning, after a protracted illness. She had been practically an invalid, as the result of paralysis, for nearly nine years. She is survived by five brothers and one sister, W. L. T. Rogers, of Richmond; L. G. of Baltimore; E. G. of Atlanta; H. B. and L. B. Rogers, of Petersburg; and Mrs. John E. Etheridge, of Norfolk. The deceased was born at Mansfield, Dinwiddie county, and was the daughter of Captain William H. and Mrs. Sarah L. Rogers.

A Large Camp of Sons. Past Commander F. H. Dewey will deliver an address before A. P. Hill Camp, Sons of Confederate Veterans, at their meeting to-morrow night. The camp has now 338 members, and efforts are to be made to increase the membership to 500.

Interesting Closing Exercises. The closing exercises of the Robertson Piano-Forte School were held Tuesday and Wednesday evenings at the studio in South Sycamore Street, with a large attendance of patrons and friends present on each occasion. Tuesday evening was devoted to the primary departments and Wednesday evening to the advanced scholars. All played from memory and gave evidence of faithful instruction. The feature of last evening's exercises was the exceptional fine performance of the pupils, and the ceremonies attending the graduation of Miss Dorothy Brooke Plank. Miss Plank, the daughter of Mr. and Mrs. L. B. Plank, of Petersburg, played Liszt's Rhapsody No. 2 with a technique and expression that drew forth prolonged applause. She was the recipient of a profusion of beautiful flowers and many presents, and of cordial congratulations. Her diploma was presented by the Rev. Charles R. Stribling in graceful and appropriate terms. Around her as she stood were half a dozen pretty students, bearing the floral offerings, presenting an attractive scene.

Election of Teachers. At the meeting of the School Board last evening, teachers in the public schools were elected for the session of 1911-12. All of the old teachers were re-elected, and a number were added to the corps, rendered necessary by the increasing attendance at the schools. Among the new teachers are three graduates of school—Misses Luella Cousins, Mabel Smith and Lucy Leake—who are finishing their course at the State Normal School. Another is Miss Nellie Thomas, who graduates this week with high honors at Randolph-Macon Woman's College, in Lynchburg, and three others, who have had training and experience are Miss N. M. Nicholson, of Creswell; Miss Sarah Hogg, of Newport News, and Miss Cornelia Segar, of Hampton. The board received and accepted the resignation of Miss C. D. Way, who is to take charge of the Training School for Teachers, in Richmond.

The board re-elected Mrs. J. A. Smith as supervisor of drawing in the public schools, and the following principals: High School—W. R. Smith; Lee School—G. E. Bennett; Jackson School—Miss L. V. Scott; D. M. Brown School—Miss F. H. Lightham; Sixth Ward School—Miss M. C. Martin.

Colored Schools. Peabody High—J. E. Shields; Jones Street—E. M. Jackson; East Ward—L. A. Johnson.

With the exception of the High School, the closing exercises of the public schools will be held on June 5.

STYLISH YOUNG MEN

Prefer "Burk" College Clothes to all other makes for the distinctive style features they possess in a surpassing degree. Full of sweep and dash, they are nevertheless dignified in cut and highly artistic in their general effect. In their designing and modeling those ridiculous fads and nonsensically extreme features which most makers of young men's clothes offer as good style are avoided, assuring the wearer the most important of all factors in being well dressed, namely, Good Taste.

General News. There are three candidates for the office of Treasurer of Prince George county—Thomas Temple, the incumbent; William Bowden, and Mr. McCann. A warm canvass is in progress. During the month of May nineteen marriage licenses were issued from the clerk's office—eight to white and eleven to colored couples.

The Gas and Light Committee, which has for some time had under consideration the establishment of a municipal light plant, will make its report to the Council next week. It is estimated that a plant with necessary buildings and street mains will cost about \$15,000. It is hardly thought the city will undertake this enterprise at present.

Bids for the construction of the bridge over the Appomattox River will be opened on Saturday.

Pertinent Comment

BY GUS MALBERT

Those ninth inning rallies are becoming just a trifle too frequent, especially when the other team is the one which is doing the rallying. Three days in succession now, Richmond has furnished some real neck and neck finishes. Once Petersburg managed to get a tie. Then the Colts brought home the bacon Wednesday with two home runs in the ninth, and yesterday the Tars grabbed victory in the last session.

Charlie Babb is as proud of his ball club as a hen is of her new chicks. "You can't beat a ball club when the men think they can't be licked. And that's the way those youngsters of mine feel at this stage." A whole lot in that kind of talk. But Sullivan looks to have just the kind of material to make those Tars back water. Nothing but baseball luck gave them the game yesterday and luck can't break one way all of the time.

Incidentally Babb thinks Pierce is the best pitcher we've got. He sure

did put a mighty fine performance against the topplers.

Woodward Allen allows that the Tidewater outfit is not drawing and that the class of baseball delivered does not measure up to the brand handed out by the Virginia League. He also says that the Lynchburg meeting was as quiet and peaceable as it could well be under the circumstances.

Yacht Race Postponed. Boston, Mass., June 1.—A race from this port to Bermuda between Harold Vanderbilt's yacht Vagrant and K. H. Carmichael's boat Sunshine, which was scheduled to start next Saturday, has been postponed until not later than June 10. Mr. Carmichael was unable to leave his yacht ready for the contest at the time set, and Mr. Vanderbilt consented to the necessary delay.

Vanderbilt's Sam Pietro and Masimo finished second in the Prix de Courcelles, \$800, distance one mile, and the Prix des Acacias, of \$5,000, distance one and a half miles, respectively.

In the Prix du Champ de Mars, of \$1,100, distance one and a half miles, Frank J. Gould's Clementine secured second place.

Westhampton Car Schedule. The Ordinance, Charter and Reform Committee will have before it to-night the much discussed Westhampton street railway schedule ordinance, proposing to allow the Westhampton cars to come down to Ninth and Main Streets, charging a straight 5-cent fare, without tickets. Members of the Country Club favoring the ordinance, and citizens of the recently annexed section lying between Robinson and Crenshaw Streets, along Floyd Avenue, who object vehemently to having their ticket and transfer privileges attacked, will be present in full force.
